Read what your generous support has enabled us to do.
Northampton Area School District Scholarship – Over \$70,000 has been awarded

Community Scholarship – Over \$9,000 has been awarded

In addition to the Scholarship Awards above we have donated to numerous organizations and families according to our Mission Statement below and . Many random acts of kindness given in the spirit of Dakota's generous giving nature.

All our donations are listed on our website.

Mission Statement

"The Dakota Fund" was established to provide a scholarship in Dakota's memory to a graduating Northampton High School student and to also provide aide and assistance to a child or family in need due to tragic situations.

Dakota was a wonderful son, brother and friend to all. He will be missed dearly by all who knew him and all who have been touched by him. Being able to provide a scholarship or just a simple act of kindness in his name is a way to keep his memory alive. And if one of these recipients goes on to make a big difference in this world.....we know that will be just a little bit of our "Kota" helping make that difference.

Because of your generous support to the Dakota Fund we will be able to also award a community scholarship to a graduating senior in a Lehigh, Northampton or Carbon County High School.
